(e) other than as set forth herein, HMC shall not be entitled to receive any other recovery in connection with any claims it has, or could have, asserted in connection with these chapter 11 cases or otherwise.

6. Within five (5) business days following the receipt of the Initial Payment by HMC, HMC shall deliver to the Debtors final unconditional lien waivers in form and substance reasonably acceptable to Core for all work performed at the Facilities and all goods, labor, and materials supplied to, for or in connection with the Debtors or the Facilities, duly executed by

HMC and each Subcontractor, as applicable, and in recordable form, which lien waivers shall provide for the release of all the Liens.

7. Within sixty (60) days following the entry of this Order, the Debtors shall, at the Debtors' cost and expense, take possession of the goods described in Annex C (the "Stored Goods") which are currently being stored by HMC and HMC shall not have any further interest in the Stored Goods.

8. Reasonably promptly following the date on which a plan of reorganization filed by the Debtors is confirmed by entry of an order of the United States Bankruptcy Court for the Southern District of Texas, the Debtors shall deliver, at the Debtors' cost, to HMC, an up to date title commitment from Chicago Title Insurance Company or another title agent and underwriter reasonably acceptable to HMC, evidencing the first lien priority of the Mortgage.

9. The Note shall:

(a) bear interest at the rate of 5% per annum, with a default interest rate of 12% per annum, have a term of 36 months, and be secured by the Mortgage;

(b) be fully amortized and payable in equal monthly installments payable on the first of each month beginning on the first day of the calendar month which is two (2) full months after the date on which the initial payment is made (e.g., if the initial payment is made on July 15, the first monthly payment date will be October 1);

(c) be subject to mandatory prepayment in the following instances: (1) if the average daily hashprice is greater than 13c but less than 16c for 90 consecutive days ("13c Hashprice Trigger"), the Debtors will be required to make a one-time mandatory prepayment of 25% with the then outstanding principal balance of the Note within 90 days following the occurrence of the 13c Hashprice Trigger; and (2) in addition, if the average daily hashprice is

greater than 16c for three consecutive months (“**16c Hashprice Trigger**”), the Debtors will be required to make a one-time mandatory prepayment of 25% of the remaining outstanding principal balance of the Note within 90 days following the occurrence of the 16c Hashprice Trigger;

(d) be voluntarily prepayable at any time and from time to time, in whole or in part, without any penalty or fees;

(e) provide that any mandatory or voluntary prepayment of the Note shall be immediately applied toward principal, be applied in inverse order of maturity and shall not extend or postpone the due dates of the monthly installments due under the Note or change the amounts of such installments; and

(f) provide that (i) an “**Event of Default**” shall occur if, among other things, the Debtors fail to pay any monthly installment due under the Note on the payment date when such monthly installment becomes due, and such failure continues for thirty (30) days after HMC gives written notice thereof to the Debtors; and (ii) subject to the terms of the Note, if an Event of Default occurs then the interest rate on the past-due payment shall increase to 12% per annum from the day after the payment due date until the Note is brought current by paying all past-due principal and interest.

10. Unless and until an Event of Default occurs, HMC shall be barred from foreclosing or otherwise enforcing the Mortgage or otherwise taking adverse action against the Debtors or any of the Debtors’ assets (including the COT 1 Facility) with regard to any amounts secured by the Mortgage.

11. The Mortgage shall create a valid lien against the COT 1 Facility, which lien shall have the same priority as, and encumber only the same property and collateral as currently encumbered by, the existing HMC Liens.

12. Upon payment in full of the Note, HMC shall promptly record a satisfaction of the Mortgage.

13. To the extent applicable, the automatic stay pursuant to section 362(a) of the Bankruptcy Code is hereby lifted solely for purposes of implementing the Settlement Agreement.

14. The Debtors are authorized to enter into, perform, execute, and deliver all documents, and take all actions, necessary or appropriate to immediately continue and fully implement the HMC Settlement and carry out the relief granted in this Order. The Debtors and HMC shall do, execute, acknowledge and deliver all such further acts, instruments and assurances and take all such further action as shall be necessary or desirable to fully implement the HMC Settlement, carry out the relief granted in this Order and fully consummate and effect the transactions provided for in this Order.

15. Except as set forth in this Order, nothing contained in the Motion, this Order, or any actions taken by the Debtors pursuant to the relief granted in the Order shall be construed as: (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law, or (iii) an approval of an assumption of any lease, sublease, or contract pursuant to section 365 of the Bankruptcy Code.

16. The Debtors and HMC are authorized to take all steps necessary or appropriate to carry out the relief granted in this Order. To the extent that there is any inconsistency between the Term Sheet and this Order, between the Note or other documents referenced therein (including the Deed of Trust) and this Order, or between the Motion and this Order, the provisions

of this Order will govern. No plan proposed by the Debtors will alter the terms of the HMC Settlement.

17. The Parties will each be responsible for and pay its own legal fees and out-of-pocket expenses in connection with the Claims, the Liens, and the chapter 11 cases of the Debtors pending in the Bankruptcy Court.

18. This Order shall be immediately effective and enforceable upon its entry.

19. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
